COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Sachi A. Hamai, Executive Officer-  
Clerk of the Board of Supervisors  
383 Kenneth Hahn Hall of Administration  
Los Angeles, California 90012

At its meeting held October 23, 2007, the Board took the following action:

27-E

At the request of Supervisor Antonovich, Dr. Bruce A. Chernof, Director of Health Services, presented a verbal report to the Board on the status of each citation received by Olive View Medical Center for various causes. Dr. William Loos, Medical Director at Olive View Medical Center, Gretchen McGinley, Acting Chief Executive Officer of Olive View Medical Center, and Margaret A. York, Chief of Los Angeles County Police, Office of Public Safety, also responded to questions posed by the Board.

After discussion, the following statement was entered into the record for Supervisors Antonovich and Yaroslavsky:

“Currently, there are no formal policies and protocols in place when our County’s hospitals need an emergency re-supply of antidotes or life-saving equipment. Regulations need to be in place to determine which entity in the County hospital should retrieve the needed medication/equipment.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Yaroslavsky, unanimously carried, the Director of Health Services and the Chief of Los Angeles County Police, Office of Public Safety, were directed to develop a policy in regards to emergency medicine and equipment retrieval and report back to the Board within three weeks.
